PROPERTY DESCRIPTION

Wrapped completely in stone siding with cedar wood accents, this 8,200 square foot home at the end of a cul-de-sac encompasses luxurious mountain living at its finest. This lodge-inspired masterpiece is positioned along the 16th fairway of the Rollingsstone Ranch Golf Club with a cross-country ski/hiking trail just below. Views from this mountain paradise stretch from the Steamboat Ski Area to the striking Flat Tops. The same exterior stone welcomes you indoors where you'll find 7 total bedrooms, a designated office and 6.5 bathrooms, including a fully equipped two-bedroom guest apartment that adjoins the main house. A jetted tub and steam shower, spacious walk-in closet and a bedroom fireplace create one of the coziest master suites in the neighborhood. Sit back and enjoy the comforts of in-floor heat, a Lite Touch computerized light system and automated e-screen shades on the picture perfect windows. Experience the serene atmosphere while soaking in the built-in tub, entertaining at the grilling station out back and warming up with a heated stone patio that creates an idyllic setting for wintertime comfort.
