PROPERTY DESCRIPTION

Settle your business into this 1,049 sq ft commercial space just off of Elk River road in the Copper Ridge Business Park. While many units in the complex come as empty garage space, unit 17 already has a lower level constructed inside with multiple rooms for an office floor plan. Inside you will find walls to designate entry storage, 4 offices, a back work area, and a bathroom with shower. With the vertical room to build a second level, this space could have additional office space added above or even a live-in studio. A large dock door and 2 parking spaces in a parking lot with plentiful additional parking outside give your business plenty of room to grow and expand.
