PROPERTY DESCRIPTION

Whether you're waking up from the comfort of the main-level master suite or soaking in the vistas from your living area, the panoramic views from this special property know no rival. This 4 acre property gives you 4 bedrooms plus a media room and downstairs family room, sprawling over 4,000 square feet with plenty of space to spread your wings. Designed with an open floorplan, the kitchen gives you great access to interact with family and guests while enjoying the convenience of a gas stove, loads of countertop and two sinks. Down the hall you'll find a state-of-the-art media room outfitted with surround sound speakers, a large screen TV and central command remote console. The adjacent work station makes for a comfortable office space with two desks and unique accents. The downstairs includes 3 comfortable bedrooms, each with walkout patio access, as well as a family room great for games and a pool table. The 3-car garage lends a lot of space for your toys and the large yard magnifies this home's beauty and charm. Price was **REDUCED** from \$1,395,000!
